A_{Ph}A-ASP Proposed Resolution Statements

2024.1 Loan Repayment Eligibility

A_{Ph}A-ASP calls for pharmacists to be eligible for loan repayment funds in a manner consistent with other healthcare providers.

2024.2 Artificial Intelligence in Healthcare Education

A_{Ph}A-ASP encourages the judicious use of artificial intelligence in healthcare education with an ethical and human-centered approach that expands the abilities and knowledge of educators and students.

2024.3 Interpretation Services

A_{Ph}A-ASP supports policies within healthcare settings and legislation that increase the utilization and quality of medical interpretation services to improve patient care and outcomes.

2024.4 Financial Planning Education

A_{Ph}A-ASP advocates for the inclusion of financial planning education early in the curricula of schools and colleges of pharmacy to equip student pharmacists with the essential knowledge and skills needed to manage personal finances proactively and responsibly.
