[Home](#) > ED supplements contain undeclared sildenafil

Generic Name:

Multiple generic names

Trade Name:

Multiple trade names

Company:

Hardmenstore.com

Notes:

[Hardmenstore.com announced](#) a recall of 1,000 lots of 72HP, Evil Root, and Pro Power Max at the consumer level because the products contain sildenafil, the active ingredient in an FDA-approved drug for erectile dysfunction.

Sildenafil is not listed on the product labels. Sildenafil may interact with nitrates found in some prescription drugs such as nitroglycerin and may lower blood pressure to dangerous levels. Patients with diabetes, high blood pressure, high cholesterol, or heart disease often take nitrates. Additionally, the product may cause adverse effects such as headaches and flushing.

72HP is packaged in a single blister pack containing one dose. Evil Root is packaged in box containing a bottle of six capsules. Pro Power Max is packaged in a single blister pack containing one dose.

Individuals who have questions may contact Howard Andrew at info@hardmenstore.com, Monday through Friday, 11:00 am to 5:00 pm, EST. Patients should contact their physician or health care provider if they have experienced any problems that may be related to taking one of the products.
